## FREQUENTLY ASKED QUESTIONS

### When can I start?

New student enrollment for this program begins every year during the Fall Term. However, FSCJ enrolls students year-round.

### Where are the educational courses held?

General education courses are offered at any of FSCJ's campuses and centers, as well as online. The professional core courses are offered at FSCJ Downtown Campus.

### What is the cost of the program?

Many students attending FSCJ qualify for financial aid, which can greatly reduce out-of-pocket expenses. This program is Federal financial aid eligible. *The approximate cost of tuition and fees is \$4,088.\**

Besides tuition and fees, students have to pay for things like living expenses, transportation, supplies and books. Book costs vary widely by program and course selection as well as choice of electives; students are encouraged to budget about \$60 per credit hour.

*\*Tuition reflects Florida resident rates and are subject to change. Certain classes that require labs may have additional fees for lab supplies. Additional fees are published in the class schedule.*

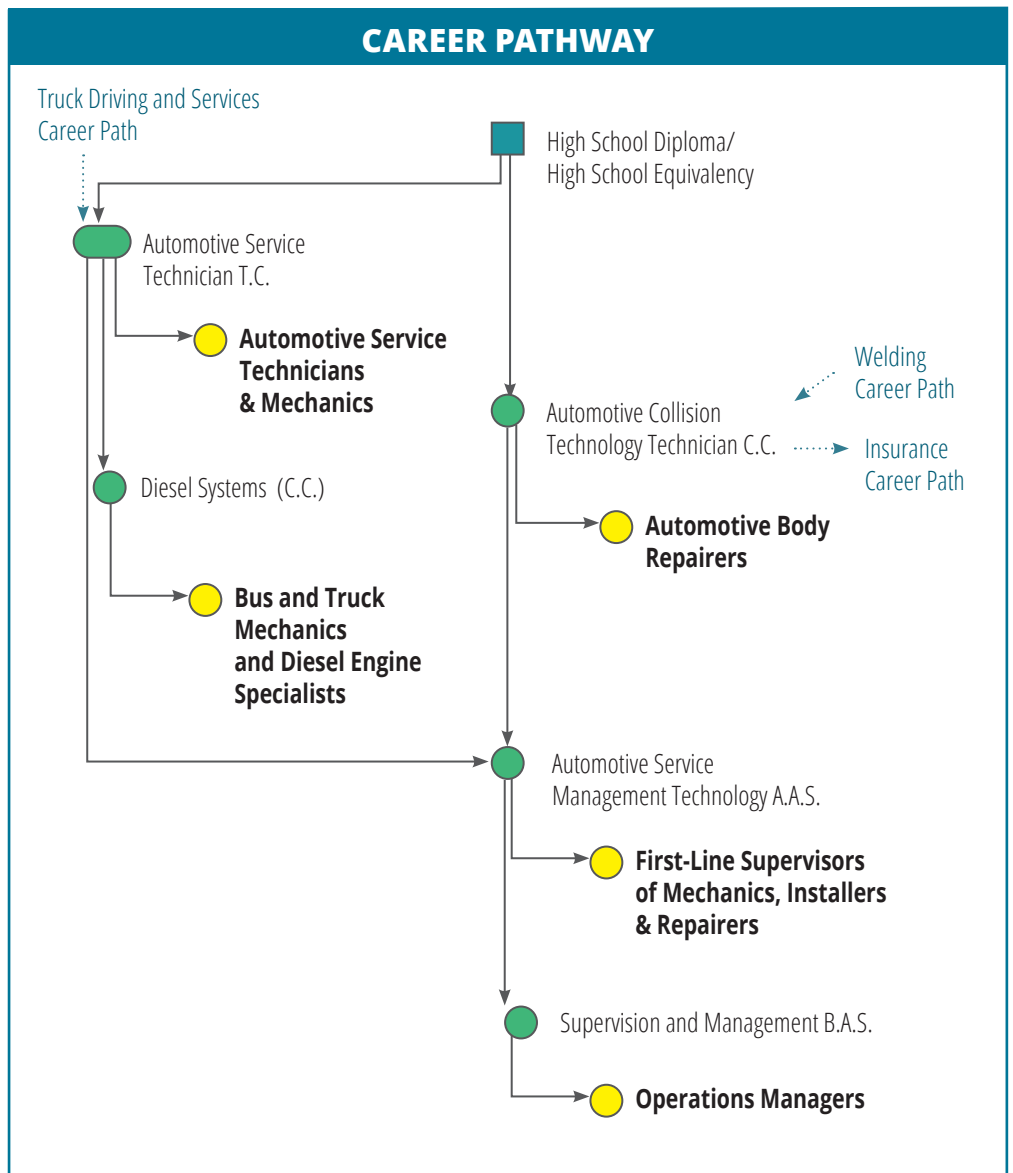

### What other programs are related to the field?

Students who have an interest in the Automotive Collision Technology Technician (C.C.) may also be interested in:

- Supervision and Management (B.A.S.)
- Automotive Service Management Technology (A.A.S.)
- Diesel Systems (C.C.)
