

Cardiovascular Technology (2125) | A.S. Degree

PROGRAM DESCRIPTION

The Associate in Science (A.S.) in Cardiovascular Technology provides students with an organized curriculum that includes required general education classes in addition to the required core classes for the invasive and non-invasive cardiovascular curriculum.

Registered Cardiovascular Invasive Specialists and the Registered Cardiac Sonographers/Registered Diagnostic Cardiac Sonographers are vital members of cardiovascular teams. Students must choose a specialty area before entering clinical practicum.

FREQUENTLY ASKED QUESTIONS

When can I start?

New student enrollment for this program begins every year during the Summer Term. However, FSCJ enrolls students year-round. Application Deadline: February 15

Where are the educational courses held?

General education courses are offered at any of FSCJ's campuses and centers. Professional core courses are offered on FSCJ Nassau Center.

What is the cost of the program?

Many students attending FSCJ qualify for financial aid, which can greatly reduce out-of-pocket expenses. This program is Federal financial aid eligible. *The approximate cost of tuition and fees is \$8,076.**

Besides tuition and fees, students have to pay for things like living expenses, transportation, supplies and books. Book costs vary widely by program and course selection as well as choice of electives; students are encouraged to budget about \$60 per credit hour.

**Tuition reflects Florida resident rates and are subject to change. Certain classes that require labs may have additional fees for lab supplies. Additional fees are published in the class schedule.*

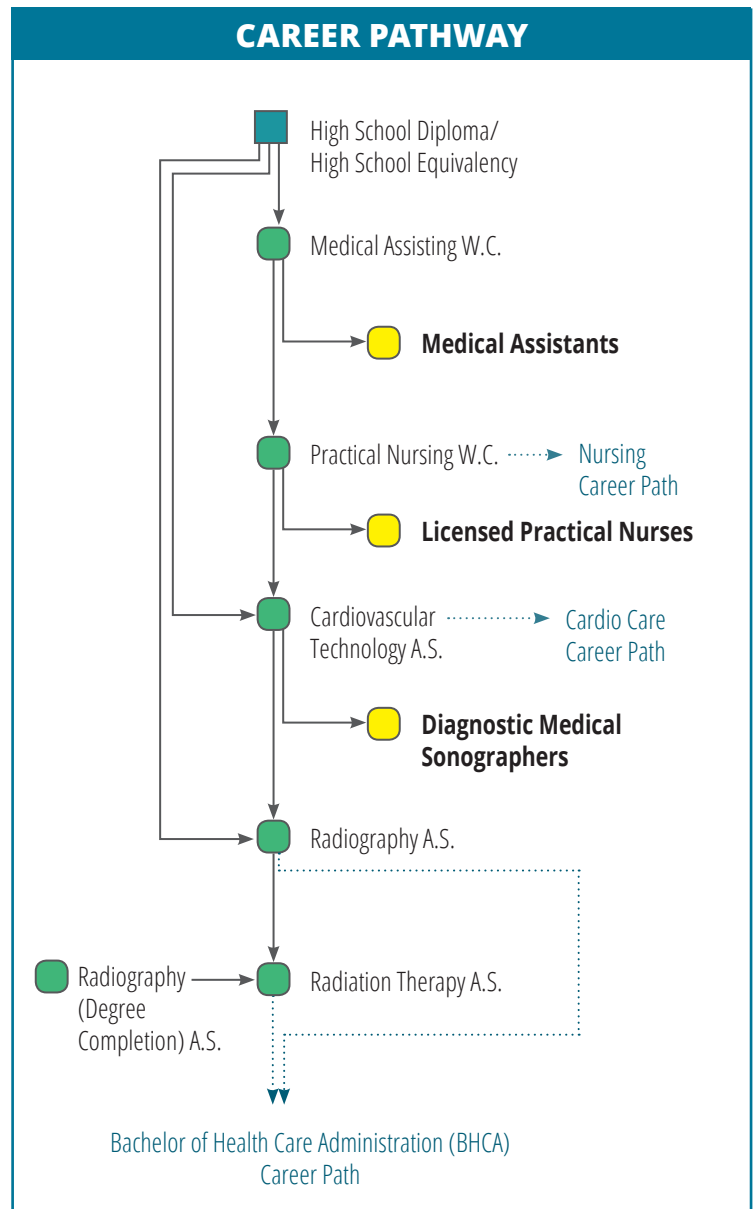

What other programs are related to the field?

Students who have an interest in the Cardiovascular Technology (A.S.) may also be interested in the following FSCJ programs:

- Radiography (A.S.)
- Respiratory Care (A.S.)
- Surgical Technology (W.C.)

Where can I get more information about potential careers?
