

Information Systems Technology (S301) | B.A.S. Degree

PROGRAM DESCRIPTION

The Bachelor of Applied Science (B.A.S.) in Information Systems Technology educates, mentors, trains and develops students to manage and supervise IT personnel and projects using effective communication skills, knowledge of evolving technologies, efficient project planning and implementation techniques. The program provides students with the opportunity to attain a degree that will enhance their opportunities in management and supervisory positions within the information technology field. The curriculum emphasizes a practical hands-on approach to understanding information technology management.

FREQUENTLY ASKED QUESTIONS

When can I start?

FSCJ enrolls students year around.

Where are the educational courses held?

General education courses are offered at any of FSCJ's campuses and centers. The professional core courses for this program are offered at FSCJ Downtown Campus, FSCJ Kent Campus and FSCJ South Campus.

What is the cost of the program?

Many students attending FSCJ qualify for financial aid, which can greatly reduce out-of-pocket expenses. This program is Federal financial aid eligible. *The approximate cost of tuition and fees is \$12,586.**

Besides tuition and fees, students have to pay for things like living expenses, transportation, supplies and books. Book costs vary widely by program and course selection as well as choice of electives; students are encouraged to budget about \$60 per credit hour.

**Tuition reflects Florida resident rates and are subject to change. Certain classes that require labs may have additional fees for lab supplies. Additional fees are published in the class schedule.*

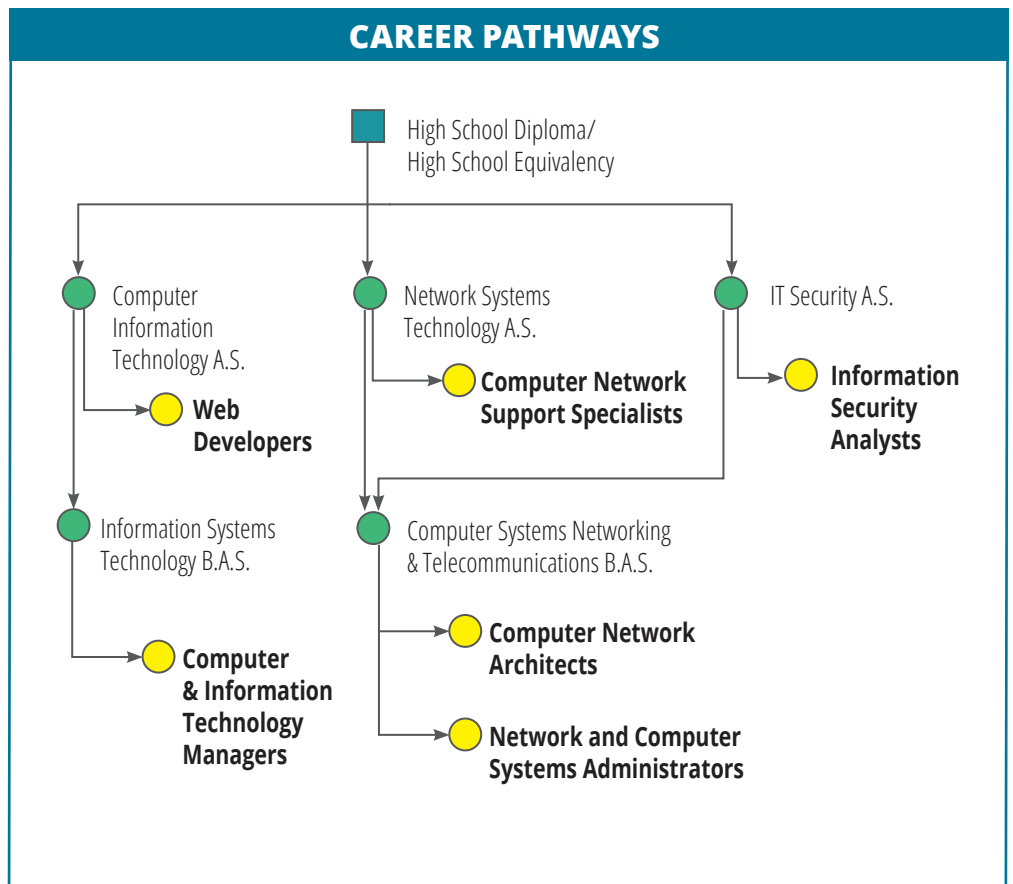

What other programs are related to the field?

Students who have an interest in the Information Systems Technology (B.A.S.) may also be interested in the following FSCJ programs:

- Computer Systems Networking and Telecommunications (B.A.S.)
- I.T. Security (A.S.)
- Computer Information Technology (A.S.)
- Network Systems Technology (A.S.)

Where can I get more information about potential careers?
