

Criminal Justice Technology (2239) (A.S.)

ASSOCIATE IN SCIENCE RECOMMENDED ROADMAP

This academic roadmap is designed to help you select courses each term for your **Associate in Science Degree in Criminal Justice Technology (2239) (A.S.)**. The mission of the Associate in Science (A.S.) degree in Criminal Justice Technology is to educate, train, and develop students for entry-level positions in the criminal justice system. The curriculum emphasizes the development of introductory knowledge of criminological theories and ethics in the criminal justice system, along with communication and critical thinking skills. The program has an applied focus on corrections, courts, policing, juvenile justice, and victim service professions.

Full-time students will refer to the term-by-term recommendations, and part-time students will refer to the course-by-course recommendations. "Mile Markers and Notes" on the Roadmap refer to important guidelines for program completion.

This roadmap is intended to provide general guidance about recommended courses and mile markers. For specific guidance about your individual academic degree plan, please see a program advisor. Please also refer to the College Catalog for additional information.

Embedded Certificate(s)

A technical certificate, Criminal Justice Technology Specialist (6420) (T.C.), is included as an option within this degree program. Students may pursue the A.S. degree and earn the technical certificate while completing the requirements for the degree or pursue the certificate to develop or upgrade their skills. Contact an advisor to determine the career education path that is best for you.

Career Options: Graduates of this program are prepared for careers in local, state, and federal first responder agencies as well as for other public safety positions, such as public safety project manager, public safety and regulatory specialist, or public safety compliance manager. Continued demand for public safety will lead to new openings for workers in local departments; however, both state and federal jobs may be more competitive.

Term Offered: F = Fall Sp = Spring Sm = Summer

Available Modalities: HB = Hybrid OC = On-Campus OL = Online

Full-Time Students: Term-by-Term	Part-Time Students: Course-by-Course	Course: Course Title	Credit Hours	T.C. in Criminal Justice Technology Specialist	Term Offered*	Available Modalities	Mile Markers and Notes
