

FSCJ Professional Pilot Technology A.S.

As of Summer 2026

JaxAero (at Craig) Minimum Flight Fees*

* The fees below cover the **minimum** flight hours required by the FAA under Part 61. Unless a student is 100% perfect, they should expect additional lessons with additional costs. See the "Anticipated Flight Costs" PDF for more details.

Private Pilot Training

Students may start taking aviation and Gen Ed classes at ANY TIME. Before beginning the **advanced flight training** courses listed below however, students must become a Private Pilot. This may be done at FSCJ or another flight school. Veterans Administration (VA) rules prohibit Private Pilot lessons from

Course	FAA-Required Flight Hours	Tuition	Initial Fee	FAA Minimum
Private Pilot (non-credit)	40	\$25	\$1,075.00	\$10,820.00

JaxAero does Part 61 training and is not VA- or R-ATP approved. See the next two pages for options.

Advanced Flight Training (College Credit classes)

Course	FAA-Required Flight Hours	Tuition	Initial Fee	FAA Minimum
ATF 2305 Instrument Rating	40	\$209.76	\$2,000.00	\$11,920.00
ATF 2201 Commercial Flight I	50	\$209.76	\$2,000.00	\$9,950.00
ATF 2202 Commercial Flight II	50	\$209.76	\$2,000.00	\$10,480.00
ATF 2203 Commercial Flight III	40	\$104.88	\$2,000.00	\$9,700.00
ATF 2400 Multi-engine Flight	15	\$104.88	\$2,000.00	\$6,680
ATF 2500 Certified Flight Instructor	25	\$209.76	\$2,000.00	\$4,470

Testing Costs

There are also costs for FAA-testing. Estimated amounts are listed below. As with Private Pilot above, these costs are NOT directly covered by Financial Aid.

Additional Costs – Paid to a 3 rd party and NOT covered by FSCJ.	FAA Written Exam	Pilot Examiner (estimated)	Checkride Aircraft Rental (estimated)	Total
Private Pilot (non-credit)	\$175	\$1500	\$250	\$1,925
ATF 2305 Instrument Rating	\$175	\$1500	\$250	\$1,925
ATF 2203 Commercial Flight III	\$175	\$1500	\$350	\$2,025
ATF 2400 Multi-engine Flight	\$0	\$1200	\$500	\$1,700
ATF 2500 Certified Flight Instructor	\$350	\$2400	\$350	\$3,100

Sterling Flight Training (at Craig) Minimum Flight Fees*

* The fees below cover the **minimum** flight hours required by the FAA. Unless a student is 100% perfect, they should expect additional lessons with additional costs. See the “Anticipated Flight Costs” PDF for more details.

Private Pilot Training

Students may start taking aviation and Gen Ed classes at ANY TIME. Before beginning the **advanced flight training** courses listed below however, students must become a Private Pilot. This may be done at FSCJ or another flight school. Veterans Administration (VA) rules prohibit Private Pilot lessons from being part of the A.S. degree, so we offer this training as a non-credit class.**

Course	FAA-Required Flight Hours	Tuition	Initial Fee	FAA Minimum
Private Pilot (non-credit)	35	\$25	\$1,075.00	\$10,860.00

** Private Pilot is NOT covered by VA Benefits, and may not be directly covered by Financial Aid.

Advanced Flight Training (College Credit classes)

Course	FAA-Required Flight Hours	Tuition	Initial Fee	FAA Minimum
ATF 2305 Instrument Rating	35	\$209.76	\$2,000.00	\$11,453.75
ATF 2201 Commercial Flight I	49	\$209.76	\$2,000.00	\$12,140.25
ATF 2202 Commercial Flight II	34	\$209.76	\$2,000.00	\$9,844.00
ATF 2203 Commercial Flight III	37	\$104.88	\$2,000.00	\$10,802.00
ATF 2400 Multi-engine Flight	15	\$104.88	\$2,000.00	\$8,556.50
ATF 2500 Certified Flight Instructor	25	\$209.76	\$2,000.00	\$11,981.25

Testing Costs

There are also costs for FAA-testing. Estimated amounts are listed below. As with Private Pilot above, these costs are NOT directly covered by the VA or Financial Aid.

Additional Costs – Paid to a 3 rd party and NOT covered by FSCJ.	FAA Written Exam	Pilot Examiner (estimated)	Checkride Aircraft Rental (estimated)	Total
Private Pilot (non-credit)	\$175	\$1500	\$250	\$1,925
ATF 2305 Instrument Rating	\$175	\$1500	\$250	\$1,925
ATF 2203 Commercial Flight III	\$175	\$1500	\$350	\$2,025
ATF 2400 Multi-engine Flight	\$0	\$1200	\$500	\$1,700
ATF 2500 Certified Flight Instructor	\$350	\$2400	\$350	\$3,100

Sunrise Aviation (at Cecil) Minimum Flight Fees*

* The fees below cover the **minimum** flight hours required by the FAA. Unless a student is 100% perfect, they should expect additional lessons with additional costs. See the “Anticipated Flight Costs” PDF for more details.

Private Pilot Training

Students may start taking aviation and Gen Ed classes at ANY TIME. Before beginning the **advanced flight training** courses listed below however, students must become a Private Pilot. This may be done at FSCJ or another flight school. Veterans Administration (VA) rules prohibit Private Pilot lessons from being part of the A.S. degree, so we offer this training as a non-credit class.**

Course	FAA-Required Flight Hours	Tuition	Initial Fee	FAA Minimum
Private Pilot (non-credit)	35	\$25	\$1,075.00	\$9,672.50

** Private Pilot is NOT covered by VA Benefits, and may not be directly covered by Financial Aid.

Advanced Flight Training (College Credit classes)

Course	FAA-Required Flight Hours	Tuition	Initial Fee	FAA Minimum
ATF 2305 Instrument Rating	37.7	\$209.76	\$2,000.00	\$8,254.40
ATF 2201 Commercial Flight I	44	\$209.76	\$2,000.00	\$9,240.00
