

The Technical Certificate (T.C.) in Emergency Medical Technician prepares graduates to function as entry-level emergency medical technicians.

The program utilizes classroom instruction, hands-on skills labs, and field experiences to train students to respond to a variety of medical and trauma situations.

☑	Task
	View career information at http://www.fscj.edu/careercoach
	Meet with your advisor each term.
	Satisfy the technical certificate graduation requirements.

Program Accreditation

The Florida State College at Jacksonville's Emergency Medical Technician (EMT) program is approved as an EMT Training Program by the Florida Department of Health, Bureau of Medical Services, 4052 Bald Cypress Way, Tallahassee, FL, 32399, (850) 245-4440, http://floridahealth.gov/licensing-and-regulation/licensing-ems-education/.

Application Procedure

This is a Limited Access program. Students must follow the application procedure outlined in the current College Catalog. The application deadlines are May 15 for classes starting in the Fall Term, September 15 for classes starting in the Spring Term, and September 15 for classes starting in the Summer Term.

Articulation

This certificate articulates directly into the Emergency Medical Services (E.M.S.) (2201) (A.S.) and Fire Science Technology (2911) (A.S.) degrees. Students may pursue one or more certificates to develop or upgrade their skills in a particular field or pursue the A.S. degree and earn technical certificates while completing the requirements for the degree. Contact an advisor to determine the career education path that is best for you.

Emergency Medical Technician (6394)

TECHNICAL CERTIFICATE | College Catalog Year: 2022-2023

Recommended Roadmap

This roadmap provides general guidance about recommended courses. For specific guidance about your individual academic degree plan, please see an advisor. Also refer to the College Catalog for additional information. A minimum grade of C or higher must be achieved in all professional courses.

Term 1

☑	Course: Course Title	Credit Hours	Terms Offered	Available Modalities
	EMS 1119: EMT Lecture/Didactic	6	All	On-Campus
	EMS 1119L: EMT Skills Lab	4	All	On-Campus
	EMS 1421: EMT Clinical Experience (ED & Field)	2	All	Off-Campus Clinical

Total Program Credit Hours

The Emergency Medical Technician T.C. program requires a **minimum of 12 credit hours**. Total program hours may vary based on the student's individual degree plan. Please see an advisor for individual guidance.

Important for You to Know

This academic roadmap does not include developmental education courses in reading, writing, and/or mathematics that you may be required to take. Students who place into developmental education courses are required to complete designated developmental education courses with a grade of C or higher regardless of program of study. In addition, it does not include MAT 1033: Intermediate Algebra, which, for many students, is a prerequisite course for MAC 1105.

Certification/Licensing

Upon completion of the program graduates are eligible to apply to sit for the National Registry of Emergency Medical Technicians (NREMT) EMT certification exam to qualify for certification as a Florida EMT and a National Registered EMT.

Note: If you are considering employment in a state other than Florida, please visit https://www.fscj.edu/academics/license-disclose to determine if this program will meet the selected state's requirements to sit for licensure or certification testing.

Program Learning Outcomes

Cognitive Domain: Upon successful completion of the program, the student will demonstrate a working knowledge of clinical information and related topics, relevant to the practice of EMT providers.

Psychomotor Domain: Upon successful completion of the program, the student will demonstrate the ability to competently and proficiently perform all EMT providers level skills.

Affective Domain: Upon successful completion of the program, the student will demonstrate attitudes and behaviors consistent with the ethics and professionalism expected of EMT providers.
