

The Technical Certificate (T.C.) in Stage Technology provides students with the foundation skills required to begin working in North Florida's live entertainment industry.

The program focuses on stagecraft, lighting, and sound production for theatre, concerts, dance, and industrial theatre.

<input checked="" type="checkbox"/> Task
<input type="checkbox"/> View career information at http://www.fscj.edu/careercoach
<input type="checkbox"/> Meet with your advisor each term.
<input type="checkbox"/> Satisfy the technical certificate graduation requirements.

Articulation

This certificate articulates directly into the Theatre and Entertainment Technology (Entertainment Technology) (A.S.) degree. Students may pursue one or more certificates to develop or upgrade their skills in a particular field or pursue the A.S. degree and earn technical certificates while completing the requirements for the degree. Contact an advisor to determine the career education path that is best for you.

Advising

<input type="checkbox"/>	TPA 2212: Sound for the Stage	3	Summer	On-Campus

Total Program Credit Hours

The Stage Technology T.C. program requires a **minimum of 17 credit hours**. Total program hours may vary based on the student's individual degree plan. Please see an advisor for individual guidance.

Important for You to Know

This academic roadmap does not include developmental education courses in reading, writing, and/or mathematics that you may be required to take. Students who place into developmental education courses are required to complete designated developmental education courses with a grade of C or higher regardless of program of study. In addition, it does not include MAT 1033: Intermediate Algebra, which, for many students, is a prerequisite course for MAC 1105.
