

Articulated Credit  
For  
Industry Certification, License, or Career Certificate

**Programs: A.S. Aviation Maintenance Management and applicable technical certificates**

Eligible students providing documentation of prior learning will be awarded credit as outlined below.

1. Students must meet all admissions requirements for FSCJ and the A.S. degree or T.C. prior to credits being awarded.
2. Student must be able to provide documentation of earned license or credential.
3. Articulated courses show as a “P” on student transcripts and do not impact GPA.
4. Students must request credit prior to enrolling in the designated class; credit cannot be offered retroactively.
5. Industry certification, license, or career certificate must be current or earned within 3 years prior to submitting for credit unless approved by the Program Manager and Dean.
6. Industry certification, license, or career certificate may only be applied once.

**How to request credit:**

**Select** your certification(s) below. Email this form along with a copy of documentation of prior learning (license, certificate, or transcript) to **aviation@fscj.edu**. Once the request has been reviewed and approved, documentation will be sent to Student Records for processing.
