

Industry Certification, License, or Career Certificate

Programs: A.A.S. Automotive Service Technology and applicable technical certificates

Eligible students providing documentation of prior learning will be awarded credit as outlined below.

1. Students must meet all admissions requirements for FSCJ and the A.S. degree or T.C. prior to credits being awarded.
2. Student must be able to provide documentation of earned license or credential.
3. Articulated courses show as a “P” on student transcripts and do not impact GPA.
4. Students must request credit prior to enrolling in the designated class; credit cannot be offered retroactively.
5. Industry certification, license, or career certificate must be current or earned within 3 years prior to submitting for credit unless approved by the Program Manager and Dean.
6. Industry certification, license, or career certificate may only be applied once.

How to request credit:

Select your certification(s) below. Email this form along with a copy of documentation of prior learning (license, certificate, or transcript) to **autodiesel@fscj.edu**. Once the request has been reviewed and approved, documentation will be sent to Student Records for processing.

Student Name: _____ Student ID: _____

Student Email: _____ Program of Study: _____

Select	Tracking ID	Certification or certificate	College Credit Course*	Credits
High School Automotive Maintenance and Light Repair 9504110 – 3 out of 6 courses with a C or better				
	I2021-01	Automotive Maintenance and Light Repair 1	AER-1081C Introduction to Automotive Technology	4
		Automotive Maintenance and Light Repair 2		
		Automotive Maintenance and Light Repair 3		
		Automotive Maintenance and Light Repair 4		
		Automotive Maintenance and Light Repair 5		
		Automotive Maintenance and Light Repair 6		
Automotive Service Technology 1800 Clock Hour Career Certificate				
	I2021-02	AER0014 Automotive Service Assistor 300 hours	Introduction to Automotive AER1081C	4

		AER0418 Automotive Brake System Technician 150 hours	Brake Systems AER1598C	4
		AER0453 Automobile Suspension and Steering Technician 150 hours	Steering and Suspension AER1498C	4
		AER0360 Automotive Electrical/Electronic System 300 hours	Electrical I AER 1694C Electrical II AER 2695C	4
		AER0110 Advanced Engine Repair 150 hours	Engines AER 1198	4
		AER0503 Automotive Engine Performance 300 hours	Engine Performance I AER 2896 Engine Performance II AER 2899 Engine Performance III AER 2895C	4
		AER0257 Advanced Automatic Transmission and Transaxle Technician 150 hours	Automatic Transmissions/Transaxles AER 1291	4
		AER0274 Manual Drivetrain and Axle Technician 150 hours	Manual Transmissions and Transaxles AER1398	4
		AER0172 Automotive Heating and Air Conditioning Technician 150 hours	Air Conditioning and Heating AER 1798C	4
