NORTHEAST FLORIDA CRIMINAL JUSTICE CENTER

Equivalency of Training (EOT) Application Packet

R.W. "Buster" French

Director of Law Enforcement Training

"BUILDING TRUST THROUGH SERVICE."

Purpose

To obtain certification as a law enforcement officer or corrections officer in Florida without first attending (or re-attending) a full basic recruit academy in Florida.

Eligibility for Equivalency of Training

- Having been a law enforcement officer or correctional officer from another state, a federal agency, or the military who are either active or have less than an eight-year break in service,
- A former Florida law enforcement officer or correctional officer with more than four years break in service, but less than eight years.
- Employment records must establish that you were employed as a full-time (i.e., at least 40 hours per week) sworn law enforcement officer (authorized to bear arms and make arrests) or correctional officer, either by working for a single agency for one full year, or for a cumulative twelve full months at two agencies within an eighteen-month period.
- Qualifying employment cannot include time spent in an academy, even if you were receiving pay while attending the academy.
- There cannot be more than an 8-year gap from the end of your most recent qualifying employment to the submission of your complete EOT application.
- Employments that typically do not establish EOT qualification are seasonal, part-time, reserve (civilian or military), volunteers, military security forces, military vessel-boarding teams, etc.

Equivalency of Training Process

To become a certified law enforcement officer or correctional officer, you must complete each step before progressing to the next.

1. Successfully complete an EOT Application for evaluation
2. Demonstrate proficiency in certain high-liability physical skills: defensive tactics, firearms, medical first responder (aka First Aid or equivalent), vehicle operations (aka EVOC; required for law enforcement only) at a Northeast Florida Criminal Justice Training Center (NEFCJC); and;
3. Pass the Florida State Officer Certification Examination (SOCE)

To allow enough time for the evaluation, submit your application well in advance of the date you intend to attend a review course or take the SOCE

Please allow 4 to 6 weeks for the evaluation step. All information provided by applicants is subject to verification.

Florida State Officer Certification Examination

Successfully completing the EOT courses qualifies you to take the **Florida State Officer Certification Examination (SOCE)**, required to become a law enforcement officer or correctional officer - **You are given three opportunities to pass.** If you do not pass after three attempts, you must complete the applicable Basic Recruit Training Program and reapply to take the State Officer Certification Examination. The SOCE is derived from the Florida Department of Law Enforcement (FDLE) Basic Recruit Curriculum for Law Enforcement or Corrections. The comprehensive multiple-choice test consists of 200 questions for Law Enforcement.
