

Thank you for your interest in the Emergency Medical Technician (EMT) T.C. program at Florida State College at Jacksonville.

**Additional admissions information:**

1. Preference is given to students who have successfully completed the college general education requirement for math.
2. Students required to complete MAT 0028 must enroll in the course concurrently with EMT courses.
3. Applicants must have an overall 2.0 GPA or higher.
4. Completion of BSC2085C is recommended for students who plan to apply to the EMS AS Degree in the future.

For your reference, the EMT rubric that will be used to determine your admissions ranking is included on the last page of this document.

Students will be notified through their FSCJ Student email of their admissions status after all applications have been reviewed and processed. Students can anticipate being notified approximately **one month** following the application deadline. Information concerning a student's admissions status will not be given via telephone.

Students selected for a seat will have a specified time to notify the Health Career Advising Center that they are accepting the seat. Failure to notify the Health Career Advising Center as indicated in the acceptance email will result in forfeiture of the seat. The next eligible applicant on the ranked list will be offered the seat.
