 - Indicate the number of hours worked per week

Competitive Review Process

Applicants must have an overall minimum GPA of 2.0.

Students are ready for review upon completion of all admission criteria. The ranking rubric is included below. Please note that the admission process is highly competitive.

Students will be notified through their FSCJ Student email of their admissions status 4-6 weeks following the review deadline. Information regarding a student's admissions status

will not be provided over the telephone.

Radiation Therapy Specialist Ranking Rubric		Max Points
ARRT Exam	Maximum Score	50
Radiation Protection	10	
Equipment Operation & Maintenance	10	
Image Production & Evaluation	10	
Radiographic Procedures	10	
Patient Care	10	
Total Possible Points		50

Travel

Students accepted into the program are required to travel a minimum of up to 2 hours from Jacksonville to complete the clinical education for the program. The cost of travel to clinical sites is the responsibility of the student. If a student chooses to stay overnight near the clinical facility, the housing costs are the responsibility of the student.

Clinical facilities are open at varying times during the day. Thus, students need to be flexible as start and end times vary. In addition, this may mean being in the clinical site early in the morning or in the evening.
