

Radiation Therapy Advanced Technical Certificate (A.T.C.)

Additional Admissions Requirements:

1. Copy of front and back of BLS Provider CPR card (American Heart Association).
2. Registered with the American Registry of Radiologic Technologists (ARRT) as a radiologic technologist or nuclear medicine technologist.
3. Copy of ARRT Exam Scores
4. Proof of Associate degree
5. Verification of health-related work experience, if applicable. In order to receive points for health-related work experience a letter must be typed on letterhead from employer with the dates of employment, health-related duties and number of hours worked per week.

Submit all documents to hcic@fscj.edu prior to the review deadline.

For your reference, the Radiation Specialist rubric that will be used to determine your admissions ranking is included on the last page of this document.

Rubric for Ranking Purposes

ARRT Exam	Maximum Score	Exam Results
Radiation Protection	10	
Equipment Operation & Maintenance	10	
Image Production & Evaluation	10	
Radiographic Procedures	10	
Patient Care	10	
Total Points	50	

Students will be notified through their FSCJ Student email of their admissions status 6 weeks following the review deadline. Information concerning a student's admissions status will not be given via telephone.
