EXEMPT STUDENTS

Pursuant to s.1008.30, F.S. and Rule 6A-10.0315, F.A.C., you are exempted from the requirements of common placement testing and developmental education. This exemption enables you to enroll in any college credit course that does not require a college-level prerequisite. You may opt to take the common placement test. Regardless of your placement test scores, you will not be required to enroll in developmental education. You may opt to enroll in developmental education to improve your skills before enrolling in college-level courses. Your advisor can provide additional information on developmental education options.

I understand that if I qualify for an exemption, but I am unsuccessful with my courses it may result in financial consequences through excess credit hour surcharge as defined under Section 1009.286, Florida Statutes. I have been provided the "Excess Credit Hour Advisory".

I, _____, have been informed by a College advisor of my options for developmental education and gateway courses. I further acknowledge that I received the opportunity to ask a College advisor questions about my course options before making my choice. **Finally, I verify that the information I provided on this form is true and correct.**
