## **Purpose**

The purpose of this procedure is to note responsibility for the Information Technology department's Strategic Technology Plan and its respective Policies and Procedures Manual and accompanying standards guides at Florida State College at Jacksonville (FSCJ/College).

## **Procedure**

- A. The Information Technology department is responsible for creating a Strategic Technology Plan that aligns to the college-wide Strategic Plan and the goals of senior leadership. The Information Technology department will set its vision, goals, objectives, architecture and organizational structure in a manner which supports this plan.
- B. The Information Technology department will specify and publish a Technology Policies and Procedures manual along with accompanying standards guides that support the Strategic Technology Plan. These documents will be published on the Information Technology website, [it.fscj.edu](http://it.fscj.edu).
