

**Florida State College at Jacksonville
District Board of Trustees**

AGENDA ITEM NO.

Subject:	Finance: Fees and Charges
Meeting Date:	February 14, 2023

RECOMMENDATION: It is recommended that the District Board of Trustees approve the fee change for the following course to be effective Summer Term 2023, pursuant to Board Rule 6Hx7-4.19.

BACKGROUND: Florida Statutes 1009.22(9) Workforce education postsecondary student fees and 1009.23(12) Florida College System institution student fees allow the assessment of user fees. State Board Rule 6A-14.054(6), Student Fees, provides that each board of trustees may establish user fees in addition to tuition fees for services that incur unusual costs (specialized software and equipment, equipment and software maintenance, tests, kits, materials, insurance and others). These fees shall not exceed the cost of the goods or services provided and shall only be charged to students or agencies receiving those goods or services.

Course Number	Course	Current Fee	Recommended Fee
EMS 1421C	EMT Clinical Experience	\$0	\$20.00

Students enrolled in the EMT Clinical Experience course are required to enter clinical facilities. The facilities use a digital portal, My Clinical Exchange, to securely manage information and paperwork students must provide to confirm their eligibility for each clinical site. The fee above is to cover the cost of making the service available to students.

RATIONALE: The District Board of Trustees is authorized under Florida Statutes 1009.22 and 1009.23 to establish fees to recover costs of services provided.

FISCAL NOTES: This will have no net fiscal impact on the College.
