

DAILY SELF-SCREENING

Students, faculty and staff should conduct daily self-screening before coming onto campus. You must be free of ANY recent or unexplained symptoms potentially related to COVID-19. At this time, these symptoms include one or more of the following:

Symptoms

- New or worsening cough (not related to allergies)
- Shortness of breath or difficulty breathing
- Fever (Temperature above 100.4°F)
- Chills
- Repeated shaking with chills
- Runny nose or new sinus congestion (not related to allergies)
- Muscle pain
- Headache
- Sore throat (not related to allergies)
- Fatigue
- Nausea or vomiting
- Diarrhea
- Loss of taste or smell

Students: If you have any recent onset of symptoms listed above, please contact your Professor.

Faculty and staff: If you have any recent onset of symptoms listed above, please contact your supervisor.
