

Dear Student,

I want to start by extending my congratulations to all of the graduates for achieving their upcoming graduation from Florida State College at Jacksonville. We are committed to celebrating all of our graduates and want to ensure we are able to do so in the safest way possible.

At this time, we feel it is in the best interest of all graduates and their families and friends to postpone the Commencement Ceremony, originally scheduled for May 7.

We are continuing to monitor and evaluate the circumstances around COVID-19 and considering all options in determining the best course of action. This has been a difficult, but necessary decision to make, keeping the interests of all graduates and guests in mind.

Once a final decision is made, we will share the information with the College community.

We appreciate everyone's understanding and patience as we face this unexpected obstacle and make the best decision possible.

Sincerely,

Dr. A.
College President
