

Dear Student,

We hope you are settling in to Week 3 of remote learning and have figured out a schedule and system that works best for you.

First and foremost, please know FSCJ is open for your educational needs this coming summer term! In order to update you on our summer offerings, it has been determined that Summer 2020 [A & B session](#) courses will be conducted **entirely online with a unique twist**. Registration for summer is currently taking place, so [register](#) now to get the classes you need. If you have already registered for a face-to-face course in Summer A or B there is no need to change your registration—instructors will adapt their courses and keep you informed. A decision on Summer C7 courses will be made toward the end of May.

We are aware that our campuses not being open can be a burden to some of you in terms of internet access or technology. While we continue to work on some creative solutions to get technology into the hands of those that need it, we are able to provide WiFi connection outside of four of our campus/center locations. You may safely access these locations from your vehicle between 7 a.m. and 5 p.m. Monday-Friday to assist you as you complete your work. FSCJ's Security Team will be monitoring these areas during these times to ensure the safety and security of students.

Deerwood Campus Parking Garage

9911 Old Baymeadows Rd., Jacksonville, FL 32256

Cecil Center North Parking Lot next to Truck Driving School

5640 POW-MIA Memorial Parkway, Jacksonville, FL 32221

North Campus Parking Lot next to Baseball and Softball Fields

4501 Capper Road, Jacksonville, FL 32218

Advanced Technology Center in the parking lot next to the Northeast side of the building

401 West State Street, Jacksonville, FL 32202

Also, in case you missed it, students are now able to make an appointment for online tutoring with our fabulous FSCJ tutors through Brainfuse! Simply log into myFSCJ, then click on the Brainfuse link. Look for the Tutor Match menu to schedule your appointment. See full details and directions [here](#).

Don't forget, you can find even more student resources at [fscj.edu/COVID-19](https://www.fscj.edu/COVID-19) or follow the links below.
