

Greetings Students,

We know that you likely incurred some costs when your FSCJ Summer Term classes changed from a face-to-face or hybrid format to an online format. We are proud of the fact that you didn't give up. However, if you did experience any additional eligible expenses caused by our campus disruption, you are eligible for a disbursement from the federal Coronavirus Aid, Relief and Economic Security Act (CARES Act). Eligible expenses may include things like additional supplies in order to complete your course work at home, new hardware or software, increased internet access or transportation to an internet access point. If you experienced any new or increased costs related to continuing your education in an online environment, please visit [myFSCJ](#) to validate that you had eligible expenses during the Summer Term.

By logging into your [myFSCJ](#) account and clicking to accept the CARES Act funding that is offered to you, you affirm that you have incurred new or additional expenses related to continuing your FSCJ education as a result of the campus disruption due to COVID-19. The link to accept this funding will remain available to you through July 31, 2020.

FSCJ knows that these times have been hard on you and we genuinely care about you and your family, as well as your academic success. Do not hesitate to reach out for support when you need it.
