

Welcome to FSCJ Summer 2020,

While some of you may have planned to take online classes this summer, we know that for many of you this might be a new experience. Please check out the online resources below for helpful information to ensure you have a successful summer at FSCJ.

FSCJ Wi-Fi Access Expanded

Did you know there's a Canvas app? Download it today instead of accessing Canvas through your browser.

For new students, the Canvas Student Experience is an orientation course designed for the perfect introduction. Check it out [here](#).

Canvas Support is Available 24/7

Please know that FSCJ is here for you. If you have immediate needs, you can always get in touch with one of our Advisors. Advisors have access to a number of resources beyond these stimulus dollars and may be able to assist you now. Advisors are available for virtual appointments by visiting fscj.edu/advising. Please give them a chance to help.

Remember, FSCJ knows that these times have been hard on you and we genuinely care about you and your family, as well as your academic success. Do not hesitate to reach out for support when you need it.
