

LEADERSHIP IN ACTION AWARD

The Leadership in Action Award is an annual scholarship funded by the Scheidel family. The Leadership in Action award was established to continue the legacy of Herbert W. Scheidel by recognizing and encouraging emerging leaders within the Jacksonville community who go above and beyond to positively impact the lives of others. This recognition is awarded annually to a currently enrolled student of Florida State College at Jacksonville who has taken action to expand the opportunities of others by volunteering with exceptional service to a single community nonprofit agency in the FSCJ service area.

Candidates are selected through a nomination process and *self-nomination* is allowed.
