FSCJ's Mascot Overview

Mascot: FSCJ Manta Rays Established: 2024

The FSCJ Manta Rays is the official mascot for Florida State College at Jacksonville (FSCJ) and is an additional identifying mark for the Department of Athletics. As a symbol of FSCJ, the Manta Ray appeals primarily to student audiences and alumni.

Academic and administrative units can use the mascot to convey FSCJ pride. The Manta Ray must be used as a secondary element, in addition to the FSCJ logo, in the same way you would use an icon or illustration in a layout, or in a second imprint area on promotional items. See guidelines for additional details and usage examples.

The only terms that can be used to represent the FSCJ mascot are "Manta Rays" or "Mantas." The mascot name should never be shortened to only "Rays."

Color

Color Palettes

The consistent use of color is vital to effectively establishing, promoting and identifying the FSCJ brand. The FSCJ brand color palette consists of two primary colors and two secondary colors.

The official colors for the FSCJ Manta Rays are Pantone 302 and 631. Pantone 634 and 3035 are the official FSCJ logo colors.

When printing one-, two- and three-color publications, spot colors (Pantone) should be used. When printing in full color (four-color process), the CMYK mix provided in the palette should be used. Automatic conversion of the spot color within an application can result in an incorrect mix.
