FSCJ's Automotive Service Management Technology program is accredited by the National Institute for Automotive Service Excellence (ASE) Education Alliance, formerly known as NATEF.

FSCJ Florida State College at Jacksonville

FREQUENTLY ASKED QUESTIONS

When can I start?

New student enrollment for this program begins every year during the Fall and Spring Term. However, FSCJ enrolls students year-round.

Where are the educational courses held?

General education courses are offered at any of FSCJ's campuses and centers, as well as online. The professional core courses are offered at FSCJ Downtown Campus.

What is the cost of the program?

Many students attending FSCJ qualify for financial aid, which can greatly reduce out-of-pocket expenses. This program is Federal financial aid eligible. *The approximate cost of tuition and fees is \$7,132.**

Besides tuition and fees, students have to pay for things like living expenses, transportation, supplies and books. Book costs vary widely by program and course selection as well as choice of electives; students are encouraged to budget about \$80 per credit hour.

**Tuition reflects Florida resident rates and are subject to change. Certain classes that require labs may have additional fees for lab supplies. Additional fees are published in the class schedule.*

What other programs are related to the field?

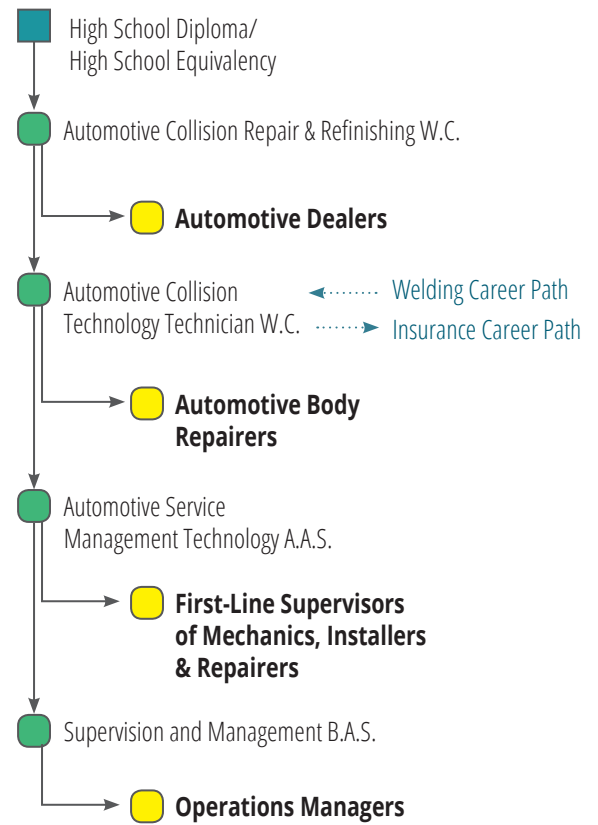

Students who have an interest in the Automotive Service Management Technology (A.A.S.) may also be interested in:

- Aviation Maintenance Management (A.S.)
- Engineering Technology (Advanced Manufacturing) (A.S.)
- Medium and Heavy Duty Truck and Bus Technician/Diesel Systems (W.C.)
