

Biomedical Equipment Technician (2371) | A.S. Degree

PROGRAM DESCRIPTION

The Associate in Science (A.S.) in Biomedical Equipment Technician is designed to respond to the needs of regional hospitals, labs and other medical facilities. This program provides foundational technical skills for students for entry-level positions related to biomedical equipment.

Upon completion and a successful background check and drug screening, graduates will be placed into an internship program to further their learning.

These technically trained individuals are prepared to assist engineers or scientists. They may also take positions as biomedical equipment technicians or technical sales representatives. Hospitals, equipment manufacturing, and service contracts are typical areas of employment.

ENTRY REQUIREMENTS

- High school diploma or high school equivalent
- U.S. citizen or legal immigrant
- PERT test
- Background check
- Drug screening
- Check the catalog to learn about all course and program prerequisites

AT-A-GLANCE

- 60 Credit Hours
- Financial Aid Eligible
- Face-to-Face Courses
- Upon completion, students will be prepared to test for the following certifications: CompTIA's A+ Microcomputer Technician, Security+ and Cisco CCENT.

FREQUENTLY ASKED QUESTIONS

When can I start?

FSCJ enrolls students year-round.

Where are the educational courses held?

General education courses are offered at any of FSCJ's campuses and centers. Professional core courses are offered at FSCJ Downtown Campus.

What is the cost of the program?

Many students attending FSCJ qualify for financial aid, which can greatly reduce out-of-pocket expenses. This program is Federal financial aid eligible.

*The approximate cost of tuition and fees is \$6,398.**

Besides tuition and fees, students have to pay for things like living expenses, transportation, supplies and books. Book costs vary widely by program and course selection as well as choice of electives; students are encouraged to budget about \$60 per credit hour.

**Tuition reflects Florida resident rates and are subject to change. Certain classes that require labs may have additional fees for lab supplies. Additional fees are published in the class schedule.*

What other programs are related to the field?

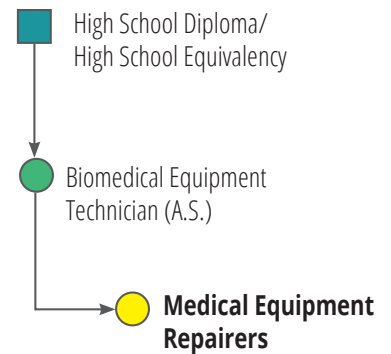

Students who have an interest in the Biomedical Equipment Technician (A.S.) may also be interested in:

- Computer Systems Networking and Telecommunications (B.A.S.)
- I.T. Security (A.S.)
- Pneumatics, Hydraulics and Motors for Manufacturing (T.C.)

Where can I get more information about potential careers?
