

Biomedical Sciences (T300) | B.S. Degree

PROGRAM DESCRIPTION

The Bachelor of Science (B.S.) in Biomedical Sciences degree consists of a rigorous, hands-on laboratory-based curriculum that emphasizes concentrations in biological sciences and biochemistry to prepare students for direct entry into analytical/research laboratories and health sciences. Coursework includes physics, chemistry, biology, microbiology, molecular biology and genetics with a variety of upper-level concentrations to suit a student's individual interests.

ENTRY REQUIREMENTS

- Earn an Associate in Science (A.S.), Associate in Arts (A.A.) or a minimum of 60 transferable college credit hours
- Satisfy the bachelor's degree general admission requirements and submit a bachelor's admissions application
- Provide a copy of official college transcript(s)
- Check the catalog to learn about all course and program prerequisites

AT-A-GLANCE

- **120 Credit Hours**
- **Financial Aid Eligible**
- **Selective Access** – Certain prerequisites and criteria must be met to be admitted.
- **Online and Face-to-Face Courses**

FREQUENTLY ASKED QUESTIONS

When can I start?

FSCJ enrolls students year-round.

Where are the educational courses held?

General education courses are offered at any of FSCJ's campuses and centers, as well as online. The professional core courses for this program are offered at FSCJ Downtown Campus.

What is the cost of the program?

Many students attending FSCJ qualify for financial aid, which can greatly reduce out-of-pocket expenses. This program is Federal financial aid eligible.

*The approximate cost of tuition and fees is \$12,586.**

Besides tuition and fees, students have to pay for things like living expenses, transportation, supplies and books. Book costs vary widely by program and course selection as well as choice of electives; students are encouraged to budget about \$60 per credit hour.

**Tuition reflects Florida resident rates and are subject to change. Certain classes that require labs may have additional fees for lab supplies. Additional fees are published in the class schedule.*

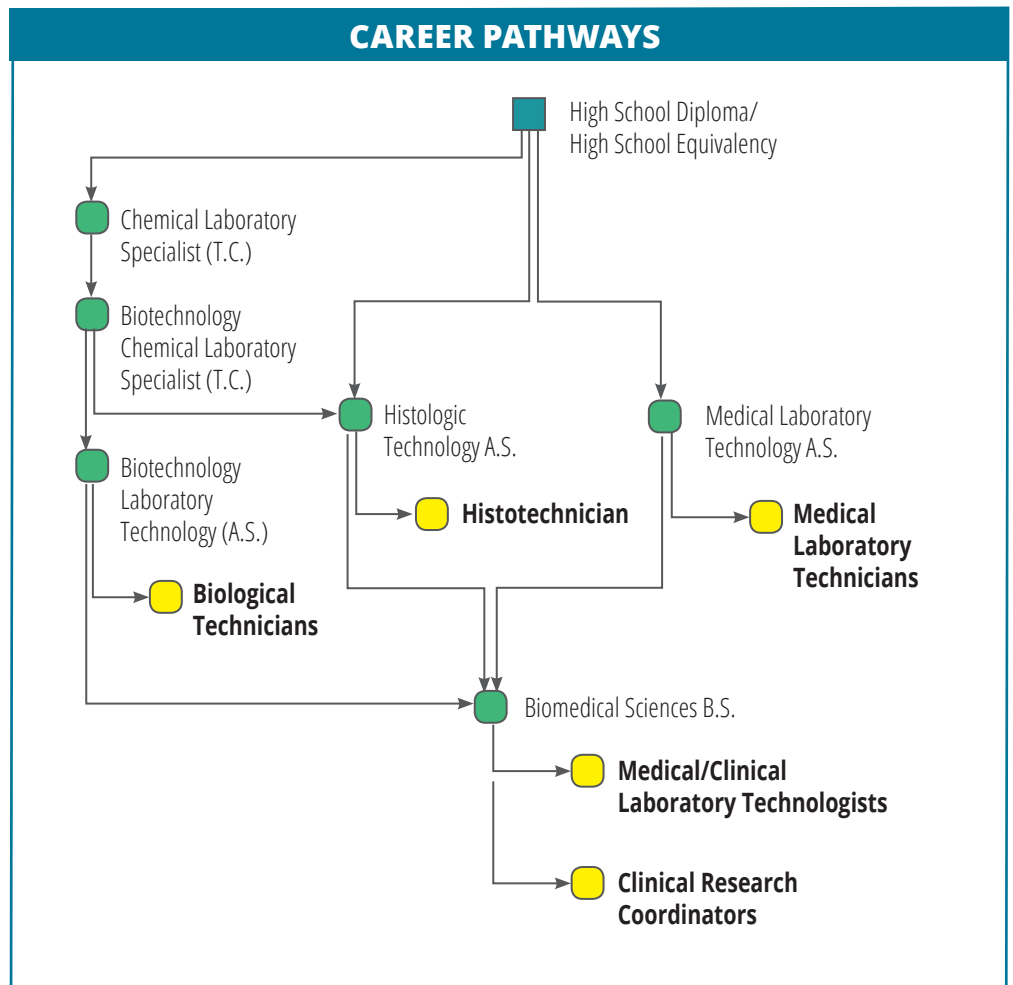

What other programs are related to the field?

Students who have an interest in the Biomedical Sciences (B.S.) may also be interested in the following FSCJ programs:

- Biotechnology Laboratory Technology (A.S.)
- Environmental Science Technology (A.S.)
- Chemical Laboratory Specialist (T.C.)
- Scientific Workplace Preparation (T.C.)

Where can I get more information about potential careers?

Research local job opportunities, wage data, career paths and market trends at fscj.emsicareercoach.com.
