

Digital Media/Multimedia Technology (2152) | A.S. Degree

PROGRAM DESCRIPTION

The Associate of Science (A.S.) in Digital Media/Multimedia Technology provides students with a strong foundation in digital imaging, graphic design, time-based media and web design. Coursework includes graphic design, typography, illustration, animation, motion graphics, audio/video production, social media and web design. Students also have an opportunity to take elective courses in art and/or photography to further enhance these foundational skills. Critical thinking and problem solving are emphasized through project-based learning within computer lab classrooms.

The program culminates with a professional development course designed to provide field-based experiences and to assist students in the development of portfolio for entry-level employment.

FREQUENTLY ASKED QUESTIONS

When can I start?

FSCJ enrolls students year-round.

Where are the educational courses held?

General education courses are offered at any of FSCJ’s campuses and centers. The professional core courses for this program are offered at FSCJ South Campus.

What is the cost of the program?

Many students attending FSCJ qualify for financial aid, which can greatly reduce out-of-pocket expenses. This program is Federal financial aid eligible. *The approximate cost of tuition and fees is \$6,293.**

Besides tuition and fees, students have to pay for things like living expenses, transportation, supplies and books. Book costs vary widely by program and course selection as well as choice of electives; students are encouraged to budget about \$60 per credit hour.

**Tuition reflects Florida resident rates and are subject to change. Certain classes that require labs may have additional fees for lab supplies. Additional fees are published in the class schedule.*

What other programs are related to the field?

Students who have an interest in the Digital Media/Multimedia Technology (A.S.) may also be interested in the following FSCJ programs:

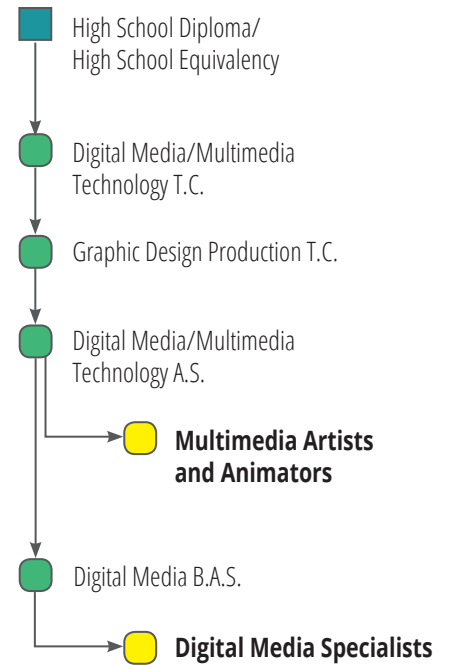

- Digital Media (B.A.S.)*
- Communication and Media (B.S.)
- Stage Technology (T.C.)
- Web Development Specialist (T.C.)

**The Digital Media/Multimedia Technology A.S. articulates directly into the Digital Media B.A.S.*
