

Radiography (Degree Completion) (2254) | A.S. Degree

PROGRAM DESCRIPTION

The Associate in Science (A.S.) in Radiography (Degree Completion) program is designed for graduates of hospital-based approved radiography educational programs who must attain an A.S. degree. All radiologic technology education classes are taken at the hospital-based program after acceptance.

Students who complete the program are eligible to take the American Registry of Radiologic Technologists (ARRT) exam, which will qualify them to receive a state license to practice radiography.

ENTRY REQUIREMENTS

- High school diploma or high school equivalent
- Submit completed program application
- Forward official college transcripts to the College
- Apply for hospital-based program
- Check the catalog to learn about all course and program prerequisites

AT-A-GLANCE

- **77 Credit Hours**
- **Financial Aid Eligible**
- **Limited Access** - Certain prerequisites and criteria must be met to be admitted.
- **Face-to-Face and Online Courses**
- **Certification** - American Registry of Radiologic Technologists (ARRT)

FREQUENTLY ASKED QUESTIONS

When can I start?

FSCJ enrolls students year-round.

Where are the educational courses held?

General education courses and professional core courses are offered at any of FSCJ's campuses and centers. General education courses may also be taken online.

What is the cost of the program?

Many students attending FSCJ qualify for financial aid, which can greatly reduce out-of-pocket expenses. This program is Federal financial aid eligible. *The approximate cost of tuition and fees is \$8,076.**

Besides tuition and fees, students have to pay for things like living expenses, transportation, supplies and books. Book costs vary widely by program and course selection as well as choice of electives; students are encouraged to budget about \$60 per credit hour.

*Tuition reflects Florida resident rates and are subject to change. Certain classes that require labs may have additional fees for lab supplies. Additional fees are published in the class schedule.

What other programs are related to the field?

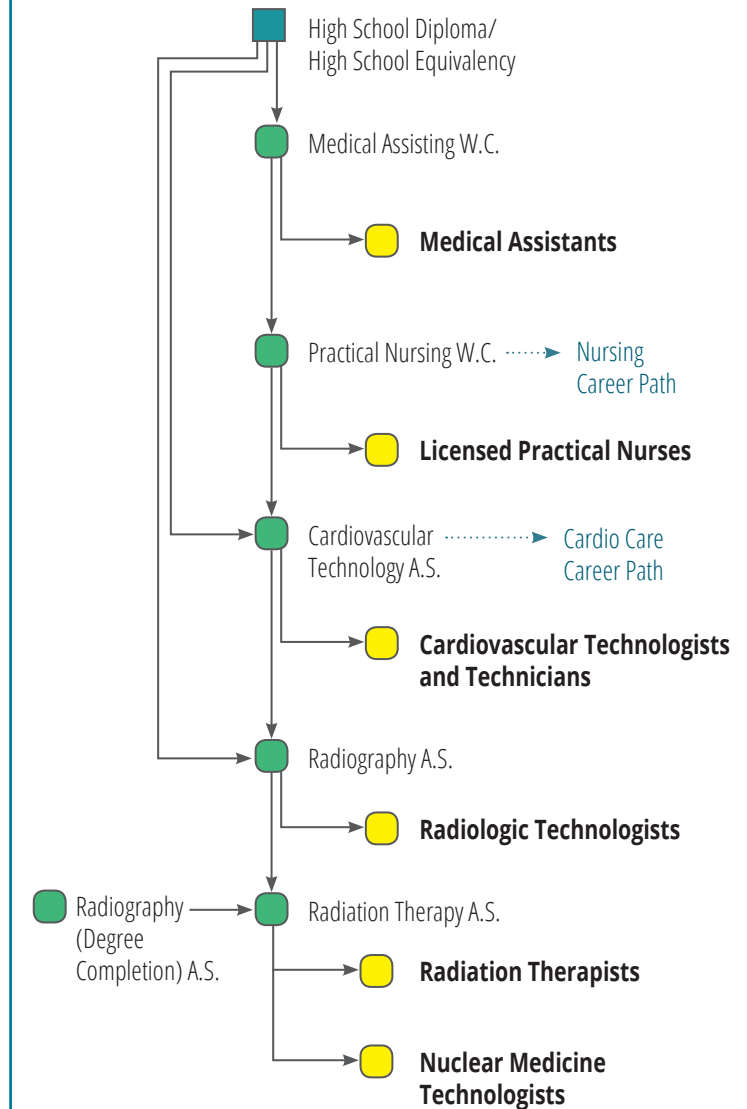

Students who have an interest in the Radiography (Degree Completion) (A.S.) may also be interested in the following FSCJ programs:

- Cardiovascular Technology (A.S.)
- Radiation Therapy (A.S.)
