**ADDENDUM NO. 1****CLARIFICATIONS**

1. **The Question Deadline is 2/8/2024 at 5:00 p.m. via GetAll.**

**QUESTIONS AND ANSWERS**

1. **Q:** Recycle Contamination - Typically, a predictable level of contamination is less than 15% of collected recycling. Can the Contractor charge for recycling containers that contain more than 16% recycling contamination in the load with photo proof of the recycling contamination? If so, can this be added to the rate sheet?  
**A:** **No. The College does not regulate the condition of the items to be recycled.**
2. **Q:** Bagged Recycling - Plastic bags become entangled within the sorting equipment, significantly hindering processing operation at the recycling processing facility. Can you add the following language to the contract? "No plastic film or bags of any kind allowed in recycling container(s)"  
**A:** **No. The specific statement would need to be clearly identified on the contractor provided container.**
3. **Q:** Recyclable Materials – The following list of acceptable materials is reflective of today's market reality and includes only materials that meet industry quality standards and have viable market demands. Will you accept the following as the only Acceptable Single Stream Recycling Materials that may be placed in the recycling container? SINGLE STREAM SPECIFICATIONS RECYCLABLE MATERIALS must be dry, loose (not bagged), un-shredded, empty, and include ONLY the following: Aluminum cans Newspaper PET bottles with the symbol #1 – with screw tops only Mail HDPE plastic bottles with the symbol #2 (milk, water bottles detergent, and shampoo bottles, etc.) Uncoated paperboard (ex. cereal boxes; food and snack boxes) PP plastic bottles and tubs with symbol # 5 - empty Uncoated printing, writing and office paper Steel and tin cans Old corrugated containers/cardboard (uncoated) Magazines, glossy inserts, and pamphlets  
**A:** **No. The College does not regulate what goes in the recycle bins, custodial standardly collects the recyclable materials from the containers throughout the various campus locations and deposits the bags into the recyclable dumpster.**
4. **Q:** Overloaded Dumpsters - Can the Contractor charge for dumpsters that are 2-feet or more overloaded above the top rim of the dumpster with photo proof of the overage? If so, can this be added to the rate sheet?  
**A:** **No. If overloaded dumpster is identified by the contractor, the contractor must notify the site contact to discuss increasing the size of the container.**
5. **Q:** Days of Service - The Contractor is not open on Sundays and major Holidays. Can you add to the contract the following, "Service excludes Sundays and Holidays when Contractor is not open"?  
**A:** **Days of service is identified on proposal form. Days when a holiday falls on a Monday through Friday, the contractor will pick up on the following day.**
6. **Q:** Unusual/Extraordinary Cost - There is no provision that allows a Contractor to seek an adjustment in its prices for unanticipated and unusual/extraordinary cost increases. Can such language be added to the parties' contract that provides for the Contractor to be paid for unusual/extraordinary costs?  
**A:** **As identified in Section 2.021, uncontrollable landfill cost increases may be adjusted during a contract period with a written request from the contractor. All other cost increase request are to be submitted upon contract renewal.**
7. **Q:** Fuel Adjustments - There is no provision that allows a Contractor to seek an adjustment in its prices for fuel adjustments. Can such language be added to the parties' contract that provides for the Contractor to be paid for fuel adjustments?  
**A:** **No. Fuel cost need to be included in cost of service.**

8. Q: Liability – Can you add a provision that that neither party should be liable to the other for incidental, consequential, or punitive damages?  
A: **No. Refer to Section 2.05.**
9. Q: Liability Contractor Vehicle Weight – Can you add a provision that the Contractor should not be liable for damage to pavement/driving surfaces due to the weight of a truck or equipment (assuming such weight is within applicable regulations)?  
A: **No. All contractor vehicles must comply with the FL DOT load weight limits.**
10. Q: Change in Law - There is no provision regarding change in law. Can you add a provision so that changes in law that affect performance or the cost of same can be appropriately addressed by the parties?  
A: **Refer to Section 1.07 which states: “Any resultant contract shall be governed by the laws of the State of Florida and would include a ninety (90) calendar day termination provision without cause or cost for both parties.” Also refer to response on Question #6.**
11. Q: Termination - Are you agreeable to make the right to terminate for convenience upon 90 days’ notice mutual as to both parties?  
A: **Refer to Section 1.07**
12. Q: Definition of Waste - Will you provide language in the Contract that you warrant and agree that the waste to be collected and disposed of will not contain any radioactive, corrosive, flammable, explosive, biomedical, infectious, hazardous, or toxic substance or material (as defined by or listed under applicable federal, state, or local laws or regulations)?  
A: **The service required under this contract shall include but not be limited to, the furnish, maintain and empty of solid waste, refuse and recycle containers. The College has policies and procedures in place for the disposal of any radioactive, corrosive, flammable, explosive, biomedical, infectious, hazardous, or toxic substance or material, which is not included in this solicitation.**
13. Q: Force Majeure - Can a Force Majeure provision be added to the contract that would excuse delays in performance due to acts of gods, hurricanes, etc.?  
A: **Refer to Section 1.16**
14. Q: Indemnify - Can language be added to the contract making clear that the Contractor has no responsibility to indemnify the Customer for the Customer's own negligent or wrongful acts?  
A: **Refer to Section 1.16**
15. Q: Late Fees on Invoices - Can the Contractor charge a 5% late fee for invoices that are more than 60-days past due?  
A: **As a public entity, in accordance with Florida Statute 218.74, the maximum late fee that is allowed to be charged to the College is 1% per month on the unpaid balance.**
16. Q: Locking Lids - Can the Contractor charge a monthly rate for dumpsters (trash and recycle) that require a locking lid?  
A: **The College does not require any container to have a locking lid.**
17. Q: Wheels - Can the Contractor charge a monthly rate for dumpsters (trash and recycle) that require wheels? These are only available for 2yd or 4yd sizes due them being lighter dumpsters.  
A: **The College is soliciting for standard 2 yd. or 4 yd., not special add on options.**
18. Q: 2.075 Missed Services: In the case of missed scheduled collections, the Contractor shall arrange for pickup within 24 hours of the scheduled collection, or issue a credit. Can missed pick-up that are no-fault of the Contractor be excluded from Section 2.075?  
A: **No. Any “no fault of the contractor” shall be handled on an individual basis.**
19. Q: 2.075 Missed Services: In the case of missed scheduled collections, the Contractor shall arrange for pickup within 24 hours of the scheduled collection, or issue a credit. Can missed pick-up that are no-fault of the Can Section 2.075 be updated to within 48 hours?  
A: **Refer to Question #18 response.**

20. Q: Can you add language to allow for a general price increase annually beginning in year 2. The price increase would be based on CPI Water and Sewer and Trash index. This is the index that is most closely related to the waste industry. The price increase allows the Contractor to re-coop cost increases not directly related to the disposal per ton increase.  
A: **Refer to Section 1.02**
21. Q: Can you add a line item # for Monthly Rental Charges for the roll-off container?  
A: **Bidders are to submit document "Addendum 1 Revised Section 3.10 Cost Proposal Form."**
22. Q: Can you add a line item # for Monthly Rental Charges for the compactor container?  
A: **Bidders are to submit document "Addendum 1 Revised Section 3.10 Cost Proposal Form."**
23. Q: COMPACTOR Lot 1 Downtown Locations, For the item # 6 compactor the frequency is as-needed. Does the Contractor list the per haul rate for the compactor in the Cost per Pickup cell? Should the Cost per Week cell be left blank since your service level is as-needed? For the Total Cost per Year how will the Contractor calculate this if the frequency is shown as as-needed? These same questions apply for all of the "frequency as-needed" item # Lots 1-7 For the compactors that have "frequency as-needed" can you provided the estimated # of hauls per year that are needed?  
A: **Historically, the 30 yd Compactor has been serviced approximately every other month. Bidders are to submit document "Addendum 1 Revised Section 3.10 Cost Proposal Form." The total cost per year will be used for evaluation purposes by the College.**
24. Q: ROLL-OFF Lot 1 Downtown Locations, For the item # 7, #9 roll-off container the frequency is as-needed. Does the Contractor list the per haul rate for the roll-off in the Cost per Pickup cell? Should the Cost per Week cell be left blank since your service level is as-needed? For the Total Cost per Year how will the Contractor calculate this if the frequency is shown as as-needed? These same questions apply for all of the "frequency as-needed" item # Lots 1-7 For the roll-off containers that have "frequency as-needed" can you provided the estimated # of hauls per year that are needed?  
A: **Historically, item #7 has been serviced approximately 10 out of a 12-month period. Item #9 has been serviced monthly during Summer and Spring, twice during Fall and Winter months. Bidders are to submit document "Addendum 1 Revised Section 3.10 Cost Proposal Form." The total cost per year will be used for evaluation purposes by the College.**
25. Q: DUMPSTER Lot 1 Downtown Locations, For the item # 10 dumpster the frequency is as-needed. Does the Contractor list the per haul rate for the dumpster in the Cost per Pickup cell? Should the Cost per Week cell be left blank since your service level is as-needed? For the Total Cost per Year how will the Contractor calculate this if the frequency is shown as as-needed? These same questions apply for all of the "frequency as-needed" item # Lots 1-7 For the dumpsters that have "frequency as-needed" can you provided the estimated # of hauls per year that are needed?  
A: **Size and frequency have been revised. Bidders are to submit document "Addendum 1 Revised Section 3.10 Cost Proposal Form."**
26. Q: Lot 1 Downtown Locations, For the item # 11 dumpster, front or side load cell states OPEN. Does this mean the Contractor can provide either a front or side load dumpster (the Contractors preference)?  
A: **No. Due to the location of dumpster: must be on wheels with open top to fit under the existing trash shoot. Highly recommend a site visit to this location. Refer to Section 1.05**
27. Q: Invoicing – Do you want each Lot Number billed separately? Do you want a Master invoice such as all charges for Lot 1 on one invoice?  
A: **Yes. Each Lot is to be billed to the billing address identified in the Lot on "Addendum 1 Revised Section 3.10 Cost Proposal Form." The College issues purchase orders for each billing location by lots. Invoices are to be submitted in accordance with purchase order issued.**
28. Q: Lot 8 - Item 5 – 10CU is considered a rolloff container size. Where does the Contractor list the monthly rental charge and the disposal per ton charge for the 10yd rolloff?  
A: **The 10 cu yd containers have been removed from the solicitation. Bidders are to submit document "Addendum 1 Revised Section 3.10 Cost Proposal Form."**
29. Q: Lot 8 - Item 21 – Please clarify what type of pricing is needed for this one as the Description of "30YD Self-Contained Compactor 200 TON PLUS Removal on New Visit \*PLUS Disposal" is confusing. Do you want the per haul cost for a 30yd compactor? How does the Contractor calculate the Cost per Week and Cost per Year for these?  
A: **Lot 8 is for additional services when needed. Bidders are to submit document "Addendum 1 Revised Section 3.10 Cost Proposal Form." The total cost per year will be used for evaluation purposes by the College.**

30. Q: Lot 8 – Will you consider removing the Total Cost per Week AND Total Cost per Year in this section? I believe you are just wanting the Contractor to list the per haul cost for all of the items on this page in case staff needs to ask for an extra pick-up.  
A: **No. The total cost per week and the total cost per year will be used for evaluation purposes by the College. Lot 8 is for additional services when needed. Bidders are to submit document “Addendum 1 Revised Section 3.10 Cost Proposal Form.”**
31. Q: Lot 8 – Will Item #24 and #25 be used for Disposal per ton for Compactors also?  
A: **Yes. Currently, C&D and the MSW are charged as a separate line-item fee for disposal on each invoiced service transaction. Bidders are to submit document “Addendum 1 Revised Section 3.10 Cost Proposal Form.”**
32. Q: Page 12 - Insurance. The ISO endorsement attached to this solicitation has an old edition date (07 04). Our policy includes the CG2010, but is issued on the current edition date available. Is this acceptable?  
A: **Yes, the attachment is an example for illustration purposes. The Latest edition issued by your firm’s insurance agency is acceptable.**
33. Q: Page 12 - Insurance. Our policy is endorsed to only provide 3rd party notification of policy cancellation, not lapse. Is this acceptable?  
A: **The College requires to be Additionally Insured for the Contractual Operational periods. Therefore, Additional Insured is identified within the “Certificate Holder” field of the Insurance issued ACORD Form. The FSCJ Awarded assigned Contract number will also need to be listed within the field titled “Description of Operations.”**
34. Q: Page 12 - Insurance. The contractor will be responsible for builder’s risk/loss for the raw materials/equipment supplying into the project up until the College accepts and takes possession of the project. Can this section be removed as it does not seem applicable?  
A: **As this solicitation is for Site-Services and NOT Construction Services, Builder’s Risk/Loss insurance does not apply.**
35. Q: Insurance. THE DISTRICT BOARD OF TRUSTEES, FLORIDA STATE COLLEGE AT JACKSONVILLE, SHALL BE NAMED AS AN ADDITIONAL INSURED FOR THE COMMERCIAL GENERAL LIABILITY COVERAGE (using the attached ISO Endorsement Schedule.) Additional insured is provided on a blanket basis. The endorsement will include blanket wording. Is this acceptable?  
A: **Additional Insured language (THE DISTRICT BOARD OF TRUSTEES, FLORIDA STATE COLLEGE AT JACKSONVILLE 501 W. State Street, Jacksonville, FL 32202) is to be identified within the “Certificate Holder” field of the Insurance issued ACORD Form. The FSCJ Awarded assigned Contract number will also need to be listed within the field titled “Description of Operations.”**
36. Q: Commercial General Liability - CG 20 10 07 04 Our policy has the current 2010 edition date available. Is this acceptable?  
A: **Refer to Question 32 Response.**
37. Q: Is there an existing e-waste bid, or does that ever come up?  
A: **This solicitation does Not include E-Waste Disposal/Recycle.**
38. Q: Could you could please send me a copy of the previous awarded bid?  
A: **Please refer to attachment D: The solicitation publicly posted tabulation sheet from ITB 2018C-31 Garbage and Refuse Services which was publicly posted 5/21/2018-5/24/2018.**
