## ADDENDUM NO. 1

### CLARIFICATIONS

1. The Question Deadline is 5/22/2025 @ 5:00 pm.

### QUESTIONS AND ANSWERS

**Question 1:**

Is subcontracting allowed for portions of the contract?

**Answer:**

Please refer RFP solicitation document Sec. 15.02 Subcontracting.

“Where a contractor does not have the capability or the time to complete the work required under this proposal ‘in-house’, subcontracting will be permitted only with the prior knowledge and approval of the Florida State College at Jacksonville.” The subcontractor’s name, qualifications, and licensure must be included in the project proposal to ensure compliance with quality and timeliness standards.

**Question 2:**

Is it the intent that items 1 through 16 on the SOV bid form are to be used only in the event of a storm and not when a single tree falls? It has been our experience that T and M hourly rates are used to pick-up a single tree.

**Answer:**

Please refer RFP solicitation document Sec. 4.055 Tree Removal Services.

The “as needed” tree removal services cover diseased, leaning, and downed trees/limbs, regardless of whether they result from a storm or an isolated incident. Tree removal costs are determined using Diameter Breast Height (DBH) measurements, and certain removals may require an Arborist’s prior certification at the Contractor’s cost. Upon proposal submission, the College would accept contracted pricing from Sec 5.901 Total Base Bid Unit Cost Breakdown or Sec 5.902 Equipment and Personnel Hourly Fee Schedule, whichever is in the best interest of the College.
