

**Request For Qualification  
Engineering Consultant Continuing Contracting Services  
(Defined Engineering Disciplines)  
College File No. 2027C-01**

**NOTICE TO PROFESSIONAL ENGINEERING CONSULTANTS:**

Florida State College at Jacksonville requests qualification statements from firms interested in providing Professional Engineering consultant continuing contracting services on an “as needed basis” to include but not limited to the responsibility of coordinate planning, engineering design and construction activities which maximize the use of available funds for each project/job in accordance with the Consultants’ Competitive Negotiation Act (CCNA) FS 287.055. This solicitation does not include architectural, surveying or mapping services. The college intends to evaluate submissions and award new “continuing contract(s)” as deemed in the best interest of the College. Firm(s) and joint venture(s) licensed to practice engineering should apply. Participation by minority/women owned and controlled business is encouraged.

Request For Qualification documents can be obtained and submitted at the web links below:
