

FSCJ Strategic Plan: Supporting Initiatives Not Requiring Funding (2019–20)

OFFICE OF STRATEGIC PRIORITIES · FLORIDA STATE COLLEGE AT JACKSONVILLE

SI ID	Title	Description	Strategic Priority	Manager
600	Writing Summer Camp	This supporting initiative will research the feasibility of offering a communication-themed writing camp. Summer camps are a viable opportunity to provide educational services to the College community	2	Jeff Hess
610	Imaging Backlog	The purpose of the initiative is to address the current backlog of hard copy documents that need to be imaged, and position FSCJ for maintenance of imaging moving forward.	3	Jacqueline Schmidt
611	Online Readiness Survey	FSCJ Online in collaboration with Advising and Institutional Research will develop an online readiness survey for students taking online classes for the first time or after a long break to appraise their current skills and abilities.	1	Ujjwal Chakraborty
623	Math for Physical Science Bootcamps	To support student success, math, chemistry and physics faculty will develop materials for workshops that will be offered through additional collaboration with the Library and Learning Commons.	1	Ed Stringer
