

CERTIFICATE OF DEPENDENT ELIGIBILITY ATTESTATION

Florida State College at Jacksonville strives to provide you and your family with valuable benefit programs. To help maintain these programs, we must ensure that we are only covering eligible dependents.

As an employee/retiree of one of the participating plans covering any dependent(s), you are required to verify the dependent’s eligibility by providing documentation for each covered dependent. It is your responsibility to ensure that your dependents meet, and continue to meet, the eligibility requirements.

The following dependents are eligible for the Medical, Dental and Vision plans:

- Legally Married Spouse
- Domestic Partner
- Children up to age 26 - An eligible child is defined as follows: a natural child, a stepchild, a legally adopted child, legal guardian or foster child(ren).
- Over age Children age 26 to 30 - Medical plan only, if the covered plan participant pays the full cost of coverage, at the retiree premium rate. ● Dependent Children with Disabilities

The following pages include the requirements necessary to complete the dependent verification process and the documentation required.

To verify your dependents, you must sign and return the Certificate of Dependent Eligibility Attestation along with providing the required documentation. Dependents will **NOT** be added to any benefit plans until this verification documentation is received.

If you have any questions, please contact a Benefits Coordinator at benefits@fscj.edu.

I certify that the documentation I provide is true and correct and meets the definition of eligible dependents, as stated above.

I understand that a falsification of documents or covering of dependents who do not meet the eligibility criteria, intentionally or unintentionally, may result in disciplinary action up to and including termination of employment.
