

Radiography (Florida State College at Jacksonville Option) Program Roadmap

Use this roadmap to guide your progress and keep you moving toward graduation.

- Avoid surprises** – Meet with your advisor each term to monitor your progress and address concerns early.
- Review course requirements** – Check course prerequisites, corequisites, and conditions before registering each term to ensure you meet all requirements and stay on track for graduation.
- Stay eligible** – Maintain your GPA and complete required courses to remain in good standing.
- Graduate on time** – Stay on schedule to avoid delays and excess credit hours that may not be covered by financial aid.

About the Program

Credit Hours: 77 total credit hours (including prerequisite coursework). Total hours may vary based on individual academic plan. Prior to enrolling in classes, please meet with an advisor for specific guidance about your individual academic plan.

Application Procedure

This is a Limited/Selective Access program. Applicants who **complete all requirements by the published review deadline** will be considered for admission. Meeting the minimum requirements makes you eligible for consideration but **does not guarantee admission** to the program.

To meet the minimum requirements for consideration for acceptance to the Radiography program, students must:

- Complete an application to the Radiography program.
- Have completed the prerequisite courses with a C or higher.

Note: Admissions preference is given to fully qualified candidates who have met all entrance criteria, including the satisfaction of prerequisite courses. Should seats remain available in the program cohort, applicants who fulfill admissions criteria prior to the start of the program will be considered next.

See the program webpage for [additional admissions information](#).

Application Deadline(s)

- The application deadline is May 15 each year with classes starting in fall term.

Minimum Grade Requirement(s)

A minimum grade of C or higher is required in:

- All Prerequisite coursework
- All Professional coursework
- All General Education coursework

Stay on Track

Meet the associate in science degree graduation requirements:

- Complete all academic requirements for this program outlined in the Florida State College at Jacksonville catalog and curriculum.
- Earn a cumulative grade point average (GPA) of 2.0 (C) at Florida State College at Jacksonville in courses applicable to the Associate in Science degree programs, excluding developmental education courses.
- Earn an all-college cumulative grade point average of 2.0 (C) on a 4.0 scale on all courses attempted. This includes Florida State College at Jacksonville college-credit semester hours and transferred credits (excluding developmental education) in lower division courses.
- Complete at least 25 percent of the total hours required for the program in residence at Florida State College at Jacksonville. Credit by examination and credit for prior learning do not count toward this residency requirement.
- Complete the required semester hours for the degree, as including a minimum of 15 semester hours in General Education.
- Demonstrate competency in civic literacy by:
 - Completing a civic literacy course – AMH 2010, AMH 2020, or POS 2041 – with a grade of C or higher.
 - Achieving of the required standard score on a state-approved assessment.
- Earn a grade of a C or higher in each course used to satisfy the general education requirements and any other area designated as requiring a grade of C or higher.
- Satisfy all financial and other obligations to the College prior to graduation.
