

Medical Laboratory Technology Program Roadmap

Use this roadmap to guide your progress and keep you moving toward graduation.

- Avoid surprises** – Meet with your advisor each term to monitor your progress and address concerns early.
- Review course requirements** – Check course prerequisites, corequisites, and conditions before registering each term to ensure you meet all requirements and stay on track for graduation.
- Stay eligible** – Maintain your GPA and complete required courses to remain in good standing.
- Graduate on time** – Stay on schedule to avoid delays and excess credit hours that may not be covered by financial aid.

About the Program

Credit Hours: 76 total credit hours (including prerequisite coursework). Total hours may vary based on individual academic plan. Prior to enrolling in classes, please meet with an advisor for specific guidance about your individual academic plan.

Application Procedure

This is a Limited/Selective Access program. Applicants who **complete all requirements by the published review deadline** will be considered for admission. Meeting the minimum requirements makes you eligible for consideration but **does not guarantee admission** to the program.

- Applicants to the program must be admitted to Florida State College at Jacksonville.
- Complete the required program prerequisite coursework.
- Complete the Medical Laboratory Technology program application.
- Prior to acceptance into the program students must complete a background check and drug screen.

Prior to contact with patients or patient specimens, students must furnish both proof of childhood and hepatitis B immunizations. Contact program director for additional information.

Note: Admissions preference is given to fully qualified candidates who have met all entrance criteria, including the satisfaction of prerequisite courses. Should seats remain available in the program cohort, applicants who fulfill admissions criteria prior to the start of the program will be considered next.

Review Deadline(s)

- Fall Term: May 15

Minimum Grade Requirement(s)

A minimum grade of C or higher is required in:

- All Prerequisite coursework
- All Professional coursework
- All General Education coursework

Stay on Track

Meet the associate in science degree graduation requirements:

- Complete all academic requirements for this program outlined in the Florida State College at Jacksonville catalog and curriculum.
- Earn a cumulative grade point average (GPA) of 2.0 (C) at Florida State College at Jacksonville in courses applicable to the Associate in Science degree programs, excluding developmental education courses.
