

About the Program

The Associate in Science (A.S.) Degree in Radiography (Degree Completion) creates competent, ethical, and confident health care practitioners in the field of radiography.

Note: If you are considering employment in a state other than Florida, please visit <https://www.fscj.edu/academics/license-disclose> to determine if this program will meet the selected state's educational requirements to sit for licensure or certification testing.

This program requires a **minimum of 77 credit hours**. Total program hours may vary based on the student's individual academic degree plan. This program **is eligible** for financial aid.

Program Requirements

This is a Limited Access Program. Students must follow the program application procedure and fulfill all requirements outlined in the college catalog. **Prerequisite courses** include:

- BSC 2085C - Human Anatomy and Physiology I
- One General Education Mathematics course
- HSC 1531 - Medical Terminology (for Health Professions)

Important for You to Know

This academic roadmap does not include developmental education courses in reading, writing, and/or mathematics or other prerequisite courses that you may be required to take. In addition, it does not include program graduation requirements.

Graduates of this program may sit for the American Registry of Radiologic Technologists (ARRT) examination. For information about ARRT, visit <http://arrt.org/>.

Additional Information

- ⇒ **Program Information**, including advisor contact details: <https://www.fscj.edu/2254>.
- ⇒ **Associate in Science Degree Information**, including graduation requirements: <https://catalog.fscj.edu/academics/degree-certificate-programs/associate-in-science-degrees>.
- ⇒ ***Program Requirements:** <https://catalog.fscj.edu/programs/2254>.
- ⇒ **Math Pathways Information:** <https://catalog.fscj.edu/academics/math-pathways>.

Sample Roadmap

This sample roadmap shows one possible pathway to program completion and may not be appropriate for all students.

Prior to enrolling in classes, please **meet with an advisor** for specific guidance about your individual academic degree plan. Some courses are offered only once per year; advising is critical for course progression.

See the **program requirements for general education course options.*

This program includes an **Algebra Through Calculus math pathway**. This pathway is intended for students whose academic program requires a foundation of algebra, followed by a sequence of courses that may lead to calculus.

Term 1

Course	Credits
ENC 1101 - English Composition I or ENC 1101C - English Composition I Enhanced	3-4
BSC 2086C - Human Anatomy and Physiology II	4
AMH 2010 - United States History to 1877 or AMH 2020 - United States History from 1877 to the Present or POS 2041 - American Federal Government	3
General Education Humanities Core course	3

Term 2

Course	Credits
PHY 1020C - Physics for Liberal Arts with Laboratory	3
CGS 1060C - Introduction to Information Technology	3
Credits Granted for Completion of Hospital Based Program	48
