

About the Program

The Associate in Science (A.S.) Degree in Occupational Therapy prepares students to function as an entry-level certified occupational therapy assistant (COTA).

Program graduates are eligible to sit for the **national certification examination** administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the individual will be a Certified Occupational Therapy Assistant (COTA). Most states require licensure in order to practice; however, state licenses are usually based on the results of the NBCOT Certification Examination.

A felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or attain state licensure. For official program pass rates, please visit [NBCOT.org](https://nbcot.org).

Note: If you are considering employment in a state other than Florida, please visit fscj.edu/academics/license-disclose to determine if this program will meet the selected state's requirements to sit for licensure or certification testing.

Program Accreditation

The occupational therapy assistant program is **accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA)**, located at 7501 Wisconsin Avenue, Suite 510E, Bethesda, MD 20814. ACOTE's telephone number, c/o AOTA, is (301) 652-AOTA and its web address is acoteonline.org.

Transcripts and OTA Course Credit

Applicants transferring from another educational institution must submit transcripts to the Student Records Office for processing and evaluation of credits. Official transcripts can be sent to Admissions Office, FSCJ, PO Box 40515, Jacksonville, FL 32203. You can also have your transcripts sent electronically, directly from the school only, to studentrecords@fscj.edu.

Once outside transcripts have been processed, course credits will be added to your official Florida State College at Jacksonville transcript. Please allow 4-6 weeks for processing of transcripts by the Student Records Office. International Baccalaureate (IB), Advanced Placement (AP), and College Level Examination Program (CLEP) documentation must be provided directly to the Assessment and Certification Center for credit evaluation and addition to the Florida State College at Jacksonville transcript. The FSCJ OTA program does not give OTA course credit for previous work experience. Official transcripts from all colleges attended are evaluated for Florida State College degree-seeking students and vocational certificate students only by qualified evaluators. OTA courses are accepted from institutions recognized and participating in the Florida Department of Education Statewide Course Numbering System. OT or OTA courses that are more than two years old are not accepted for transfer credit.
