

Automotive Collision Technology Technician Program Roadmap

Use this roadmap to guide your progress and keep you moving toward graduation.

- ✓ **Avoid surprises** – Meet with your advisor each term to monitor your progress and address concerns early.
- ✓ **Review course requirements** – Check course prerequisites, corequisites, and conditions before registering each term to ensure you meet all requirements and stay on track for graduation.
- ✓ **Stay eligible** – Maintain your GPA and complete required courses to remain in good standing.
- ✓ **Graduate on time** – Stay on schedule to avoid delays and excess credit hours that may not be covered by financial aid.

About the Program

Contact/Clock Hours: 1400 hours that must be completed and documented. Students should understand and accept the attendance requirements prior to enrolling in this career certificate program. Prior to enrolling in classes, please meet with an advisor for specific guidance about your individual academic plan.

Application Procedure

- In addition to the regular College application, students are strongly encouraged to contact the Automotive Program Manager's office at (904) 633-8334 or autodiesel@fscj.edu for proper course sequencing selection.
- Students who are admitted into this program must pass a medical evaluation of their ability to wear a respirator.
- Upon gaining medical clearance, the student is also required to pass a qualitative fit test (QLFT) while wearing their personal protective equipment (PPE) respirator/breathing apparatus.

Both assessments will be administered before the end of the second course. Students who are unable to pass either assessment may not be allowed to continue in the program.
