Total Program Credit Hours

The **Business Specialist** T.C. program requires a **minimum of 12 credit hours**. Total program hours may vary based on the student's individual degree plan. Please see an advisor for individual guidance. This program **is not eligible** for financial aid.

Important for You to Know

This academic roadmap does not include **developmental education courses** in reading, writing, and/or mathematics that you may be required to take. Students who place into developmental education courses are required to complete designated developmental education courses with a grade of C or higher regardless of program of study. In addition, it does not include **MAT 1033: Intermediate Algebra**, which, for many students, is a prerequisite course for MAC 1105.

Program Learning Outcomes

Upon completing this program, students will be able to demonstrate proficiency in the following program learning outcomes:

- Analyze, record, and report financial information for external users in accordance with accounting principles, government regulations, and professional standards.
- Analyze and report internal business and financial information.
- Demonstrate proficiency in understanding economic data as it is used in the business environment.
- Demonstrate proficiency in basic understanding of legal reasoning and ethical thinking.
- Demonstrate an understanding of basic managerial skills used in business today. Included in this outcome will be human resource management, operations management, and organizational behavior.
- Understand the fundamentals of marketing and demonstrate proficiency in the use of the four P's of marketing.
