## Program Accreditation

The Florida State College at Jacksonville's Emergency Medical Technician (EMT) program is approved as an EMT Training Program by the Florida Department of Health, Bureau of Medical Services, 4052 Bald Cypress Way, Tallahassee, FL, 32399, (850) 245-4440, <http://floridahealth.gov/licensing-and-regulation/licensing-ems-education/>.

## Application Procedure

This is a Limited Access program. Students must follow the application procedure outlined in the current College Catalog. The application deadlines are May 15 for classes starting in the Fall Term, September 15 for classes starting in the Spring Term, and February 15 for classes starting in the Summer Term.

## Articulation

This certificate articulates directly into the Emergency Medical Services (E.M.S.) (2201) (A.S.) and Fire Science Technology (2911) (A.S.) degrees. Contact an advisor to determine the career education path that is best for you.

## Advising

(904) 646-2300 or [hcic@fscj.edu](mailto:hcic@fscj.edu).

## Sample Roadmap

This roadmap provides general guidance about required courses. For specific guidance about your individual academic degree plan, please see an advisor. Also refer to the College Catalog and class schedules for additional information.

A minimum grade of C or higher must be achieved in all professional courses.

### Term 1

<input checked="" type="checkbox"/>	Course: Course Title	Credit Hours	Terms Offered
<input type="checkbox"/>	EMS 1119: EMT Lecture/Didactic	6	All
<input type="checkbox"/>	EMS 1119L: EMT Skills Lab	4	All
<input type="checkbox"/>	EMS 1421: EMT Clinical Experience (ED & Field)	2	All

## Total Program Credit Hours

The Emergency Medical Technician T.C. program requires a **minimum of 12 credit hours**. Total program hours may vary based on the student's individual degree plan. Please see an advisor for individual guidance. This program **is not eligible** for financial aid.

## Important for You to Know

This academic roadmap does not include **developmental education courses** in reading, writing, and/or mathematics that you may be required to take. Students who place into developmental education courses are required to complete designated developmental education courses with a grade of C or higher regardless of program of study. In addition, it does not include **MAT 1033: Intermediate Algebra**, which, for many students, is a prerequisite course for MAC 1105.

The EMT program is offered during the day in the Fall and Spring Terms and is offered in the evening during the Summer Term.

## Certification/Licensing

Upon completion of the program graduates are eligible to apply to sit for the National Registry of Emergency Medical Technicians (NREMT) EMT certification exam to qualify for certification as a Florida EMT and a National Registered EMT.

**Note:** If you are considering employment in a state other than Florida, please visit <https://www.fscj.edu/academics/license-disclose> to determine if this program will meet the selected state's requirements to sit for licensure or certification testing.

## Program Learning Outcomes

**Cognitive Domain:** Upon successful completion of the program, the student will demonstrate a working knowledge of clinical information and related topics, relevant to the practice of EMT providers.

**Psychomotor Domain:** Upon successful completion of the program, the student will demonstrate the ability to competently and proficiently perform all EMT providers level skills.

**Affective Domain:** Upon successful completion of the program, the student will demonstrate attitudes and behaviors consistent with the ethics and professionalism expected of EMT providers.
