

About the Program

The Bachelor of Science (B.S.) degree in Human Services prepares students for entry into the human services field.

Students will select one of the following concentrations: Advocacy, Education or Human Services.

This program requires a **minimum of 120 credit hours** including 60 transferrable college credit hours that are completed prior to applying to the program. Total program hours may vary based on the student's individual degree plan. This program is **eligible** for financial aid.

FSCJ bachelor's degree programs are part of Florida's 2+2 Program. For additional information, visit https://www.fl DOE.org/core/fileparse.php/3/urlt/pathways_to_success.pdf.

Program Requirements

The bachelor's degree is for students who have earned an associate in arts or associate in science degree or 60 hours of transferable college credit. Students must fulfill all requirements outlined in the college catalog.

Important for You to Know

This academic roadmap does not include required lower division or general education coursework, which may include prerequisite courses for upper division coursework. In addition, it does not include program graduation requirements.

This program includes a **Mathematical Thinking in Context math pathway**. This pathway is intended for students in the broadest range of programs of study. In this pathway, students will explore a variety of mathematical concepts utilizing multiple ways of thinking to formulate and solve problems in context.
