VOLUNTEER SERVICE PROGRAMS

Volunteer Services offers opportunities for students to connect with the community by encouraging them to take a few hours out of their week to volunteer. Students learn how to work cohesively with different people to form teams as well as how to be a leader. Students can view volunteer events and RSVP at **serve.fscj.edu**.

If you have additional questions about volunteering, contact us at **FSCJVolunteers@fscj.edu**.

RETENTION & MENTORING

K.I.N.G.S and Project C.L.A.S.S. mentoring programs engage underserved students by supporting their educational and professional aspirations through academic enhancement, character enrichment, leadership and career development.

For more information, contact **getinvolved@fscj.edu**.

HISTORY & HERITAGE CELEBRATIONS

Each year, FSCJ commemorates cultural diversity and inclusion through Collegewide History & Heritage Celebrations (HHC). The HHC committee consists of FSCJ students, faculty and staff that work together to plan and carry out themed programming related to: Diversity Awareness (September), Hispanic Heritage (October), LGBTQ+ (October), Veterans Week (November), Human Rights (January), Black History (February), Women's History (March), and Asian Pacific American (April). For more information, contact the FSCJ HHC at **hhc@fscj.edu**.

ALLY DEVELOPMENT

As part of FSCJ Ally Programs, Student Life & Leadership will provide Safe Space Training to support students, faculty and staff in becoming resources and allies for students who identify as lesbian, gay, bi-sexual and transgendered. Ally members provide a safe and confidential space where students can discuss LGBTQ+ issues and concerns. Ally members also advocate for removing all forms of bias, prejudice, heterosexism, homophobia and discrimination against LGBTQ+ students at FSCJ. For more information on taking Safe Space Training, contact Student Life and Leadership at **getinvolved@fscj.edu**.

TEDxFSCJ

TEDxFSCJ exists as a convener of conversations. Our mission is to place before the community the most important ideas possible and to help our audience, partners and volunteers grow both personally and professionally. Each year, we hold our annual conference at Florida State College at Jacksonville. In the spirit of "ideas worth spreading," our conference features speakers from across multiple disciplines who embody a diversity of experience, perspective and voice. Each year, we host a series of informal salons that focus on the ideas that animate and inspire the people of Northeast Florida, from cutting-edge developments in technology and IT security to human rights, health care, and the visual and performing arts—to name but a few of the topics we've tackled. To learn more, visit us at **tedxfscj.com**.

LIBRARY & LEARNING COMMONS

The Library and Learning Commons (LLC) offers a variety of programs including lectures, book clubs, escape rooms, and more, designed to highlight the LLC's collections and services and support the College's academic programs and initiatives. You can keep up with LLC events on our calendar at **libcal.fscj.edu/calendar/LLC** or by following us on Facebook at **facebook.com/FSCJLLC**.

CENTER FOR CULTURES, LANGUAGES AND SOCIETIES

The Center for Cultures, Languages and Societies is inspired by the diversity and richness of FSCJ's student body and multiple communities. Through the Center, students, faculty and staff have the opportunity to immerse themselves in various languages, arts and culture from around the globe. Students can engage in a variety of activities and programs at the dedicated space at Kent Campus (F-118A). They can converse with others who speak a specific language, hold a book club, watch a television series, or play video games, all in a language they desire to learn or teach others. The Center will be expanding to all FSCJ campuses. Be on the lookout for our Language Tables (free conversation), ethnic oriented culinary experiences (lunches), gaming, news sharing, speakers and more!
